ELECTORAL ROLL REPORT, 26TH APRIL, 2009

There are 40 members on the Electoral Roll.

At the last Annual Church Meeting we recorded 46 members. The reduction in numbers is because:

- (a) a married couple were thought to have completed the forms for membership but we found they had not finally joined the Electoral Roll;
- (b) three people have left Andorra and we cannot trace them;
- (c) a member has changed his name and so cannot be counted under his present name. We are trying to confirm whether he is willing to rejoin under his new name.
