

The English-Speaking Church of Andorra – St. George’s
Table of Fees and Suggested Donations

Baptism – there is no fee for a baptism, provided that it forms part of a regular service organized by St. George’s, as membership of the church is free to all.

Marriage – St. George’s performs the service for blessing of a marriage as under Andorran law it is not possible for us to be licensed to perform valid legal marriages. The fee for arranging and performing the service for blessing of a marriage is €300, and, in addition, it will be necessary to pay for the costs associated with bringing a chaplain to Andorra to perform the service.

Funerals and Memorial Services – the fee for either service is €150 plus the costs associated with bringing a chaplain to Andorra to perform the service. Given the preference in Andorra for burial or cremation to take place as soon as possible after the death, it may be difficult to arrange a funeral service with a chaplain. Where help is required to arrange a funeral with a local parish priest officiating the fee will also be charged. Where help is requested from the church for other forms of funeral or memorial services a reduced fee of €100 may be charged (to be donated to one of the charities supported by St George’s).

Additional fees will be charged for providing an organist at services (€50) and for providing a choir (€100 – which will be donated to the Friends of the International Singers)

Travel costs for a chaplain to provide the service will be charged at actual cost and will generally comprise mileage allowance (currently at 32c per kilometre) and actual hotel and meals costs; it may be necessary to bring a chaplain from the UK in which case additional costs would be incurred for airfare, etc.

Suggested donations – St. George’s church in Andorra is dependent on donations and fund raising events to meet all running costs. . Under the current rules of this church, 25% of all amounts received are then donated to one of the charities selected for the year by the Church Council. Additional donations, both to the church and specifically made for onward transmission to one of the selected charities, would be very much appreciated by the church.
